28-01-01-01	Organization of Board of Registration for Professional Engineers and Land Surveyors

28-01-01-01. Organization of board of registration for professional engineers and land surveyors.

1. **History and function.** The 1943 legislative assembly first provided for registration of professional engineers by a law codified as North Dakota Century Code chapter 43-19. The 1957 legislative assembly first provided for registration of land surveyors by a law codified as North Dakota Century Code chapter 43-24. In 1967 the legislative assembly repealed both of these chapters and replaced them with one chapter regulating professional engineers and land surveyors under the board of registration for professional engineers and land surveyors. The chapter is codified as North Dakota Century Code chapter 43-19.1. The function of the board is to regulate the practice of engineering and land surveying by registering qualified engineers and land surveyors.
2. **Board membership.** The board is appointed by the governor and consists of four professional engineer members and one professional land surveyor member. Each professional engineer member must be a registered professional engineer whose name has been submitted to the governor by the North Dakota society of professional engineers for appointment. The professional land surveyor member must be a registered professional land surveyor whose name has been submitted to the governor by the North Dakota society of professional land surveyors for appointment. Members of the board serve five-year terms, and one term expires each year.
3. **Executive secretary.** The executive secretary is appointed by the board and is responsible for administration of the board's activities.
4. **Inquiries.** Inquiries regarding the board may be addressed to the executive secretary:
